

## \$35,000 Grant to Lakeview Village Foundation has Two Special Lakeview Village Connections

By Jessica Torres-Sosa

Recently, Lakeview Village Foundation was awarded a \$35,000 grant from the George H. Nettleton Foundation, which funds projects for nonprofit organizations serving the elderly in the Kansas City metropolitan area. The grant will be used to renovate a bathing room in Centerpointe Care Center.

Did you know that one of our employees—Colette Panchot, Director of Sales and Marketing—has a connection to the Nettleton Foundation? As a former Nettleton board member, Colette suggested Lakeview Village Foundation approach the Nettleton Foundation. Thank you, Colette!

*Resident Ron Roth's sister and brothers pose with their mother in front of the Nettleton Home.*

And one of our residents also has a special connection to the Nettleton Foundation. Ron Roth, who just moved here in July with his wife, Gayle, was born and raised next door to the Nettleton Home, located on Swope Parkway. “I remember visiting the home as a kid,” Ron said.

“It was a quiet, gentile, classy place.”

The home was one of the first retirement organizations in Kansas City, operated for more than 100 years until it was sold in 1995. Proceeds were then placed into a trust for the benefit of the elders in the Kansas City metropolitan area, creating The George H. Nettleton Foundation. ■
